

Product Details

Model Number	AMP1-20T-J
Material	Shield: Polycarbonate Bracket: Nylon
ATPV	20 cal/cm ²
Color	Shield: Grey Bracket: Blue
Shield Coatings	Exterior: Anti-Abrasion Hard Coating Interior: Permanent Antifog
Size	11 x 19 x 0.090"
Weight	0.80 lbs.
Specification	NFPA 70E ASTM F2178 ANSI Z87+S
Bracket Type	Slotted Safety Helmet, Weight-Compensating
Safety Helmet Compatibility	Jackson®
Shape	Toric
Description	Arc flash protection face shield kit with toric nanoparticle lens, integrated transparent chin protector & cap bracket for Jackson® safety helmets.
Competitive Advantages	<ul style="list-style-type: none"> • Toric shape for improved visibility, durability and protection. • Low profile design conforms to the worker's face while deployed, with a compact fit while above the head in the stowed position. • Weight-compensating bracket reduces the weight imbalance felt while shield is above the head in the stowed position. • Grey tint for enhanced color recognition. • Nanoparticle formulation for a more robust & longer-lasting shield. • Premium antifog & anti-abrasion coatings. • ArcVent™ system for enhanced ventilation. • Integrated transparent chin protector for excellent downward vision & protection from hazards from below. • LeverLock® attachment system for easy shield replacement. • Press-to-release slotted adapters for easy bracket removal. • Compatible w/ Paulson ALM™ flashlight system.
Country of Origin	USA
CA Prop. 65 Warning	<p>This item can expose you to chemicals including Methylene Chloride, which is known to the State of California to cause cancer, and Bisphenol A (BPA), which is known to the State of California to cause birth defects.</p>
