

Product Details

Model Number	TLFS-GHC9F
Material	Shield: Polycarbonate Bracket: Aylon™
Color	Shield: Gold-on-Clear Bracket: Grey
Shield Coatings	Gold Hard Coating
Weight	1.2 lbs.
Specification	ANSI Z87.1+
Description	Lift-front toric gold hard coated heat reflective face shield. Designed to be worn with hoods.
Competitive Advantages	• Lift-front technology for enhanced breathability & communication. • 99.9% pure gold hard coating blocks extreme radiant heat in mill & foundry operations and extends service life of shield. • Toric lens design for reduced internal glare and better peripheral vision. • Integrated chin protector gives protection against hazards from below, such as debris and splash. • Reflects radiant heat and visible/infrared light.
Country of Origin	USA
CA Prop. 65 Warning	 This item can expose you to chemicals including Methylene Chloride, which is known to the State of California to cause cancer, and Bisphenol A (BPA), which is known to the State of California to cause birth defects.
Note	• Hardhat not included. • Available for purchase only through Paulson's OEM customers. • Contact Paulson for OEM contact information.
